

Supporting the prevention of relationship violence.

Imagine.

A world without relationship violence

Corporate Sponsorship Packet

March 21, 2016

By partnering with the Lindsay Ann Burke Memorial Fund, your business will help educate our youth on a topic that will change lives.

1 in 3 teens experience some kind of abuse in their romantic relationships

Considering this alarming statistic, we must take action. The Lindsay Ann Burke Memorial Fund believes that education of teens, parents, educators, and the public is the key towards ending teen dating violence. Since 2005 we have worked towards this goal in Rhode Island and across the country. We train thousands of school staff through our free workshops and donate curriculum materials to Rhode Island schools. Our work supports full implementation of the Lindsay Ann Burke Act of 2007, the first comprehensive dating violence education law in our nation. This law requires dating violence policies for school districts, school staff training, and annual dating violence education in our middle and high schools. We sponsor yearly poster contests for Rhode Island middle and high school students and maintain a website that is used by teens and adults around the world. Our national partners included the Love is Not Abuse Coalition co-founded by Ann and Chris Burke, the National Foundation of Women Legislators, the National Association of Attorneys General, and the National Association of Secretaries of State. We worked closely with Vice President Biden including attending White House meetings with Lynn Rosenthal, the White House Advisor on Domestic Violence, and Senator Sheldon Whitehouse to accomplish significant changes at the national level. We have received numerous awards at both the state and national level for our groundbreaking accomplishments.

We hope you will join us and help put an end to dating violence by choosing to sponsor our annual dinner/dance fundraiser “IMAGINE” on October 19th, 2016. The following sponsorships are available:

Platinum: Corporate Sponsorship \$1200

Gold: Corporate Sponsorship \$800

Silver: Table for your Business/Group \$500

You may contact us for additional types of sponsorship. We sincerely appreciate your time and consideration and hope we can count on you for sponsorship this year. See enclosed

literature for details. Because we have no paid staff, your contribution will make a difference as all funds directly support educating our teens about dating violence.

Sincerely,

Ann Burke
President

Making A Difference

Email sent to LABMF on June 2, 2011: *“Mrs. Burke: On behalf of the West Warwick Public School Department, as well as personally, I want to thank you and commend you for your continued work in the battle against Teen Dating Violence. Unfortunately, we find ourselves talking to our students much more than we would like to. However, the work you have done and the resources you provide have been powerful in sending the message to our students about what teen dating violence is, that it is not okay, and how to get help. We have many success stories of students getting out of destructive relationships and I can honestly say your work played an integral part. Thank you again, Karen Tarasevich, Principal West Warwick High School.”*

Email sent to LABMF: *“The past year since we have spoken has been pivotal for me. It has been so therapeutic and I finally feel like I am becoming the person I have been striving to be. Never once over the past two years since we have worked together have I forgotten the many things I learned from you and the many ways that you have impacted my life. Working with you and the LABMF was one of the most influential experiences of my life. I feel proud knowing that this foundation is set up to benefit people like me, and here I am achieving more than I have ever imagined! IMAGINE THAT! I want you to know how much your hard work, resilience, and perseverance is making a difference. I am a symbol of the proof! THANK YOU.”* From RI high school student victim
